

OUR SUSTAINABLE TOURISM POLICY

As the DOSINIA LUXURY RESORT Hotel Family, we accept all our customers as guests with the awareness and responsibility of being a well-established organization in tourism, and adopt it as a principle to provide services by blending national and international values. In this respect,

By always keeping the quality at the forefront, the health of our guests and employees; To ensure the continuity of the system by securing it with quality production and service,

To be cautious and careful about the negative effects that may occur in terms of the environment while making investment decisions, on the precondition of providing a balance between human and nature, in order to provide environmentally sensitive service,

To minimize the amount of waste with a systematic Waste Management Plan, whenever possible and in every field, to follow and apply technological developments in order to ensure the correct use of natural resources, to contribute to the protection of biodiversity and life forms in the ecosystem by choosing renewable energy sources,

To contribute to national and global social welfare and development by supporting the people of the region, local businesses and businesses that are sensitive to fair trade practices with purchasing principles,

To contribute to the promotion and dissemination of the culture and tradition of the country and region,

To show the necessary determination in the light of the principle that child welfare and the protection of children from all kinds of harm is extremely important and that it is our main duty to protect all children with whom we are related from physical and mental abuse,

To give importance to education in order to ensure that all our personnel are informed about quality, food and environmental management, with the principle that the basis of the organization is the participation of the employees,

Our experience gained in order to ensure the continuous development of processes in accordance with legal regulations and tourism conditions; We are committed to sharing mutually with guests, suppliers, institutions.
